E PE

TRAVEL BENEFITS & REFERRAL REWARDS

Your next journey can start with one connection.

E PE **Electrified Payment**	**TECHFIN INNOVATIONS PRIVATE LIMITED** **Programme owner**

A clear guide to membership, travel qualification, referral income and rank-based benefits.

Choose your membership

Registration is free. Activate a membership package to participate in the applicable travel and reward benefits.

PACKAGE	PACKAGE AMOUNT	GST (18%)	TOTAL PAYABLE
BRONZE	₹5,000	₹900	₹5,900
SILVER	₹10,000	₹1,800	₹11,800
GOLD	₹20,000	₹3,600	₹23,600

How package activation works

• Choose the package that suits you and complete payment through an authorised E PE channel.
• A person joining through your referral should activate the same tier as your active membership for the corresponding downline registration.
• If a different package tier is required, a separate registration/ID may be needed under programme rules.
• Keep your payment receipt and registration details for your records.

KYC and account safety

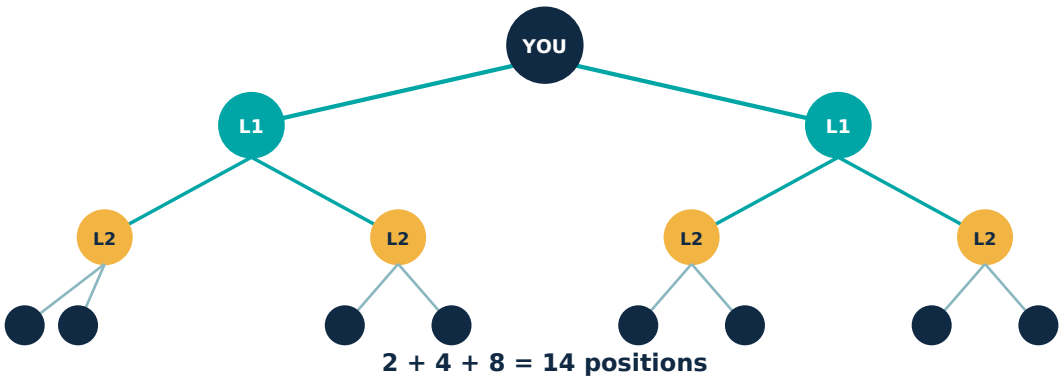

KYC may require Aadhaar, PAN, bank details and a current photograph. Submit documents only through E PE’s secure, authorised process. Never share OTPs, passwords or payment PINs.

Travel benefit

A domestic or international travel package may be offered with eligible package activation. Destinations, inclusions, dates, availability, booking windows, taxes and other conditions may vary and are governed by the written travel terms provided by E PE.

Build your referral network

The 2×3 matrix explains the first three levels of your team structure.

2 + 4 + 8 = 14 positions

LEVEL	POSITIONS	CUMULATIVE POSITIONS
Level 1	2	2
Level 2	4	6
Level 3	8	14

Referral and team rewards

BENEFIT	RATE / RULE	HOW IT WORKS
Direct income	**20%**	On eligible direct referral package amount, subject to programme rules.
Level income	**Up to 40% total**	Level 1: 15%; Level 2: 15%; Level 3: 10%, on eligible package amounts.
Team bonus	**5%**	May apply when your 14-position matrix is complete, calculated on eligible package amounts of qualifying active members.

Example: If all 14 qualifying downline members activate Bronze packages, the illustrative team bonus is 14 × ₹5,000 × 5% = ₹3,500, assuming the eligible base excludes GST and all programme conditions are met.

Direct referrals are counted according to the programme’s unilevel/frontline rules. Actual eligibility, payout timing, reversals, cancellations and tax treatment are governed by the official plan.

Re-purchase and rank progression

Re-purchase (also called rebirth in the programme) means purchasing the same package amount again. Each new purchase is an additional payment; rewards are subject to the programme conditions and are not a promise that the purchase cost will be recovered.

Ranks and qualification milestones

RANK	QUALIFICATION MILESTONE
1. Associate	First registration and package payment
2. Consultant	2 qualifying re-purchases
3. Senior Consultant	3 qualifying re-purchases
4. Team Leader	4 qualifying re-purchases
5. Manager	5 qualifying re-purchases
6. Director	6 qualifying re-purchases
7. Executive Director	8 qualifying re-purchases
8. Crown Director	10 qualifying re-purchases

Rank awards

Eligible rank awards or recognition may be presented at company events, subject to the current rank criteria and event-specific terms.

Important qualification note

The rank milestone counts above are a quick guide. The official programme rules must specify exactly whether the qualifying re-purchases are personal, team-based, or a combination, and how the 14 matrix positions are counted. Please refer to the current written rules before making a payment or expecting a benefit.

Monthly royalty pool

Eligible members at Director and Crown Director ranks may participate in the corresponding monthly royalty pools, based on the programme rules and the company's eligible package collections.

RANK	ROYALTY POOL RATE	ILLUSTRATION ON ₹10,00,000 ELIGIBLE COLLECTIONS
Director	**1%**	**₹10,000 pool**
Crown Director	**2%**	**₹20,000 pool**

Monthly eligibility

To qualify for a month, a member must complete one eligible re-purchase personally and at least one of the 14 matrix members must also complete an eligible re-purchase during that month.

How the pool is shared

The figures above illustrate the pool amount, not an individual payout. The amount received by each eligible member depends on the number of qualifying members sharing the pool and the official distribution method. Director and Crown Director pools are shown separately for illustration; actual calculation, collection base, GST treatment, adjustments, payout timing and eligibility are governed by the written plan.

No individual income amount is guaranteed. Earnings, if any, depend on actual eligible activity and compliance with the programme rules.

Before you participate

- Read the latest membership, travel, referral, re-purchase and royalty terms.
- Ask for written clarification on eligibility, payout timing, refunds/cancellations and applicable taxes.
- Do not borrow money or make a purchase based on an expectation of earning a specific amount.
- Retain all receipts, confirmations and official communications.
